**Re: National Congress of American Indians Adopts Resolution# SAC-12-034
*Promoting Tribal Nation Access and Use of Spectrum for Communications
Services (WT Docket 11-40)***

Dear Chairman Genachowski,

On October 26, 2012, the National Congress of American Indians (NCAI) adopted Resolution# SAC-12-034 *Promoting Tribal Nation Access and Use of Spectrum for Communications Services*. This action was taken by tribal leaders from across the United States during the Seventh General Assembly at NCAI's 69th Annual Convention in Sacramento, California.

Resolution# SAC-12-034 is attached hereto and respectfully submitted under WT Docket 11-40 *Improving Communication Services for Native Nations by Promoting Greater Utilization of Spectrum Over Tribal Lands*, and supports a previously filed letter from July 19, 2012, which is also enclosed with this Resolution.

We look forward to the promulgation of rules that will increase access to spectrum over tribal lands for use by tribal governments and their membership.

Sincerely,

Jefferson Keel
President, NCAI
